

Department	BARBADOS IMMIGRATION DEPARTMENT
Ministry	PRIME MINISTER'S OFFICE

Mandate/Responsibilities

The Barbados Immigration Department (BID) is responsible for processing persons entering and departing Barbados.

Impact of the Electronic Single Window (ESW)

The BID administers Returning Nationals Duty Free Concessions, through which returning nationals can avail themselves of a number of duty free concessions.

The focus of the ESW is on the movement of commercial goods, however, it can be used to identify the misuse of concessions for returning nationals by supporting the development of regular immigration reports which BID could provide to Customs and Excise. The ESW will provide the BID with a suite of customizable reports to access data immediately, and a data warehouse that can be used in the future to develop its own reports.
